

Introduction

The information report for the college's administration in the academic year 2018 collects all the information relevant and of interest to the administration of Songkhla Vocational College. The report is divided into 9 sections including; the General Information of the College, Personnel Information, Student Information, Curriculum Information, Budget and Financial Balance Information, Durable Article Information, Building Information, Labor Market Information, and Songkhla Province Information. The purpose of the report is to present the general information about the overall operation of the college in the past year, in terms of basic data and the knowledge of those interested.

In conducting and completing the report, the Information Technology Center, Planning and Cooperation Department, Songkhla Vocational College, would like to thank all parties who have contributed their support and cooperation in collecting and completing all the information regarding the college's administration.

We sincerely hope that the report will be useful and of benefit to other institutions under vocational education and also to all who are interested.
